Just Ask Jane...

A Slack Chatbot for a Regency-Era Conversation

Based on the works of Jane Austen

Get yourself a cup of tea…
It's time for a chat with Jane Austen

To start a chat with Jane:

- Open this URL in your browser:
  https://join.slack.com/t/justaskjane/signup

- (After the initial signing up, you can chat again under simply justaskjane.slack.com)

You must sign in with an illinois.edu email. Only emails from this domain are pre-approved to use the workspace
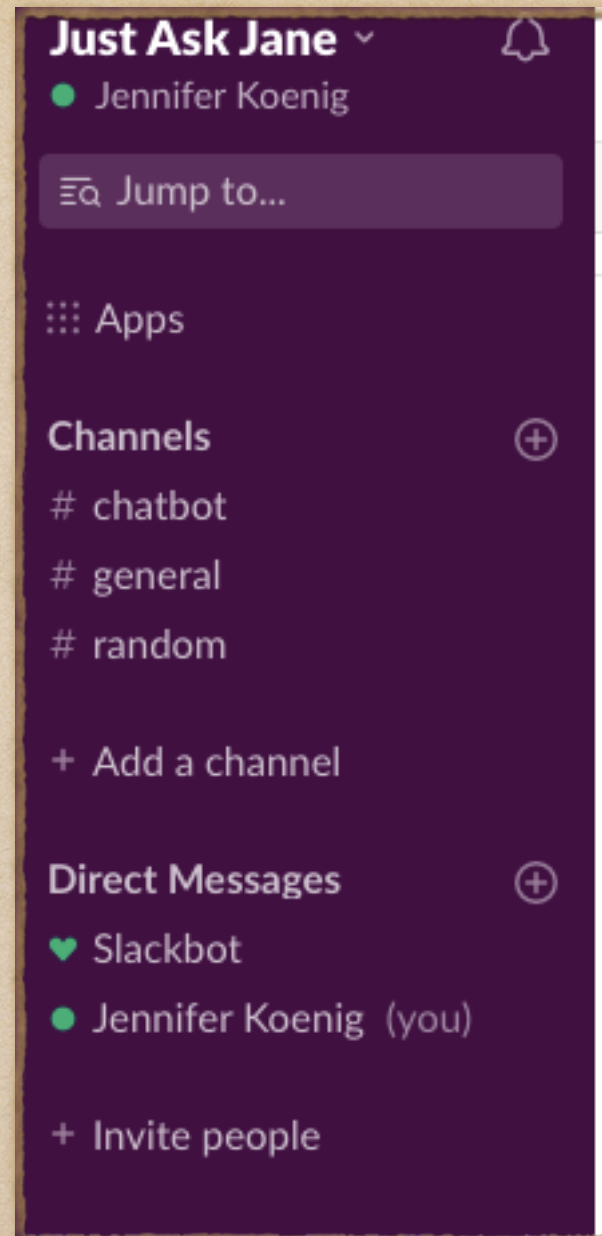

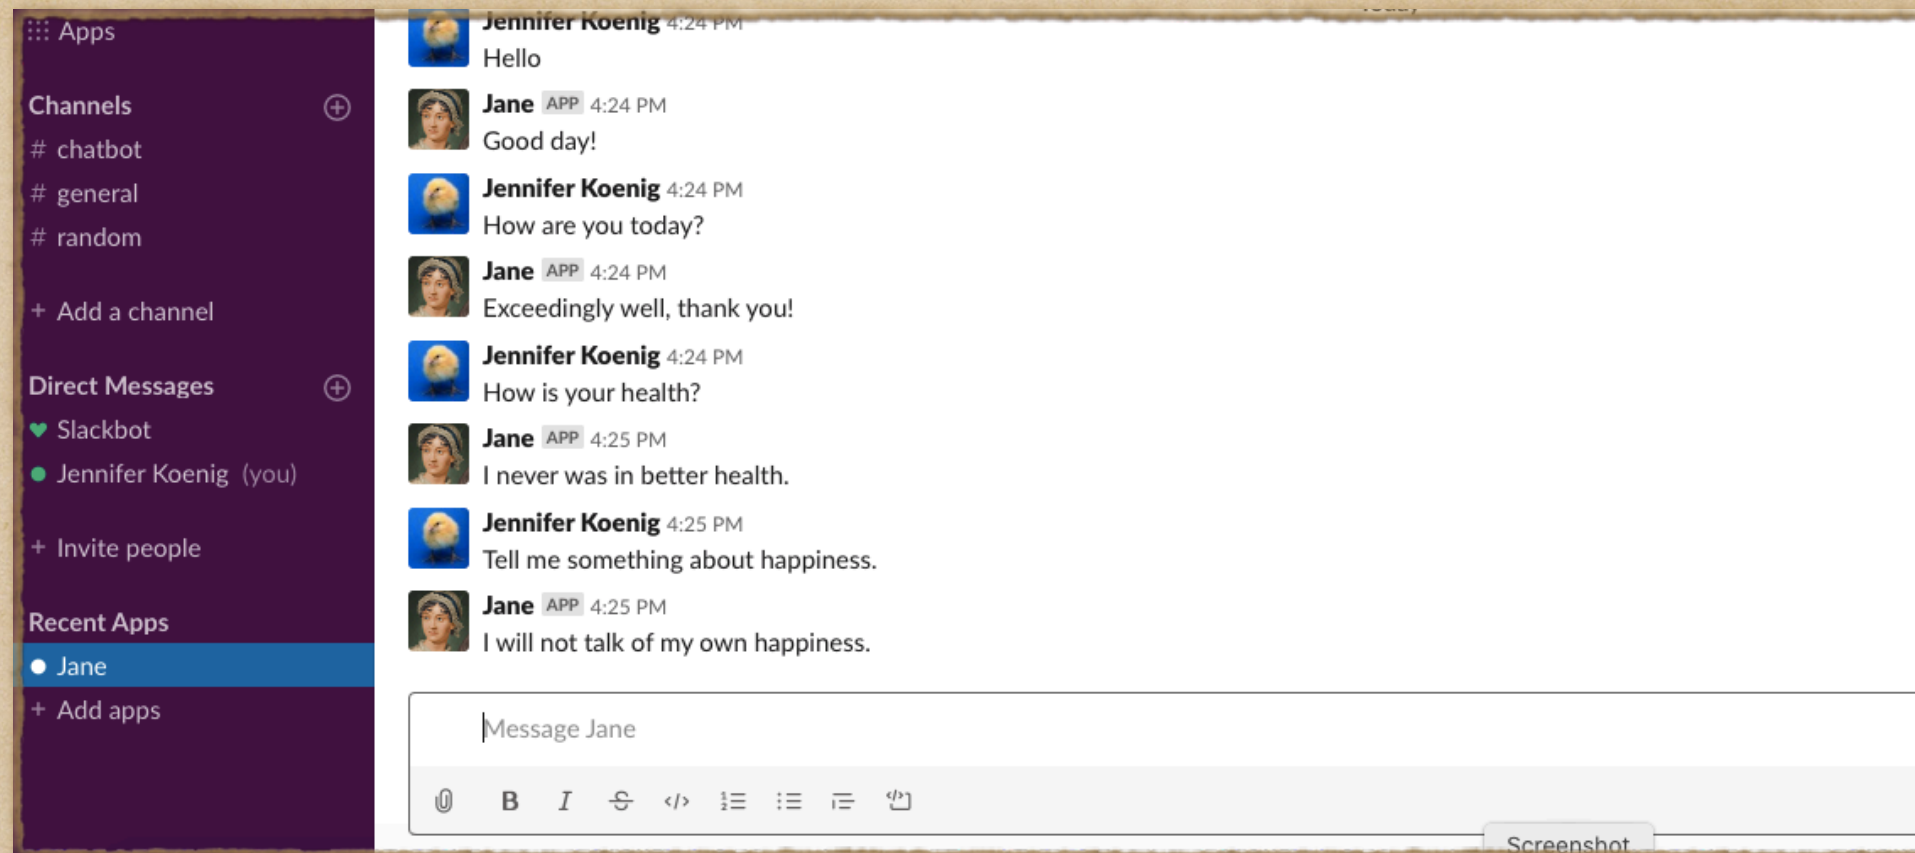

• Click on "Direct Messages" in the left-hand side menu

ⓘ Looking for someone but can't remember their name? Switch to search to find people based on title, profile info, or topics they talk about. Search for people

Recent conversations

- In the search box, type "Jane"

- Select the result and click "Go"

- You are ready to start chatting! For example:

- Good Morning!

- How is your health?

- Tell me something about love.

Sometimes Jane takes a few seconds to reply: she is new to this technology, after all!
